

## East Side Shuttle

Glacier Park, Inc. offers shuttle service to many locations along the East side of Glacier National Park. Shuttles are white, eight passenger vans and seating is on a space-available basis. This East Side Shuttle begins operation on June 5 with its last run on September 25, 2009.

To determine your shuttle departure time and location, refer to the grid below and start on the left with the tan column showing where you are originating from. Then, move right along the row to the column that displays your destination (destinations can be found in the top dark tan row). The box where this column and row intersect will be your departure time and total price per person for this one-way shuttle. Arrival times are not listed.

Children under 12 are half price.
